

Dear Parents and school community!

We are excited to announce that our school is participating in the Sarah Farms Moo-la program. A program that gives money to our school when we collect Sarah Farms Milk labels!

The labels from all varieties of **half gallon** and **gallons** of Sarah Farms Milk (*Fat Free, 1% Lowfat, Reduced Fat 2%, Vitamin D, and Chocolate*) are worth 10 cents each! That means \$1.00 for every 10 labels we collect. This money comes direct to our school. We can use it for field trips, P.E. equipment, library books, or whatever we decide! Ask your family members, neighbors and friends to save their labels for you.

Stay tuned for contests we will host this year among class and grade levels.

Our school's Moo-la Coordinator is:

Don't hesitate to contact them if you would like to help or if you have any questions.

Find Sarah Farms milk in the dairy aisle at these stores:
Big 8, Walmart, Sam's, Food King & Walgreens
