10 labels = $1

Sarah FARMS™ MOO-LA

Sarah Farms™ Moo-la gives back to your school simply for drinking our milk!

HOW does the Sarah Farms Moo-la program work?

Cut out and save the label off any **half gallon or gallon** of Sarah Farms milk *(Fat Free, 1% Lowfat, Reduced Fat 2%, Vitamin D, and Chocolate).*

Earn a dime per label. Ten labels equals $1, it's that easy! This money comes direct to our school. We can use it for field trips, P.E. equipment, library books, or whatever we decide!

Ask your family members, neighbors and friends to save their labels for you.
